"Simple Things" exhibition (Taipa Village)

**MACAU, NETRALNEWS.COM** - Fan Sai Hong opened his first solo drawing exhibition, "Simple Things", in Macau. The exhibition showcases Hong's private collection of sketchbook drawings in his personal journey of discovery through life in a range of media, formats and artistic expressions.

This exhibition also marks the launch of Hong's comic book series, "No Name", featuring 40 drawings that tell the story of a young boy who enters into a lonely

journey through the wilderness as a way to make the spiritual transition to manhood. The storyboard reveals Hong's belief in the ideal relationship between human and nature, in which the simple things in life prevail and are manifested in their purest state.

The exhibition is held in Taipa Village Art Space in Macau, from 26 April to 30 June 2017. (\*)
