Wiener Festwochen

Vienna

12 May – 18 June

The Wiener Festwochen (Vienna Festival) began in the 1950s and was vital in recreating a new image and look for Austria after the devastating effects of Austrofascism and Nazism. It was important that the city and country try to reconnect with the world. Through performances and art, the Wiener Festwochen proves to be one of cultural and social importance.

Marvel Creating The Cinematic Universe

Queensland Art Gallery | Gallery of Modern Art, Brisbane

27 May – 3 September

This first major Marvel-related exhibition to be staged in Australia includes original artwork, film props, costumes and more. The exhibition will focus on the Marvel comic artists and the development teams who translate the drawn narrative to the screen. It will follow Marvel heroes from the comic book page to the cinema screen, bringing to life the interconnected Marvel Cinematic Universe with characters including Thor, Iron Man, Captain America, the Hulk, Black Widow, Hawkeye and Black Panther, to name a few.

Taipa Village Art Space

Until 30 June

Taipa Village Cultural Association presents Macau-born artist, Fan Sai Hong's first solo exhibition at the Taipa Village Art Space. Showcasing his personal collection of sketches, Fan's exhibit follows his evolution as an artist through a variety of artistic styles. Beyond the sketches, the exhibition further debuts Fan's comic book, *No name*, a poignant coming-of-age story about a young boy searching in the woods.
