The association aims to highlight the uniqueness of Taipa Village's heritage by raising awareness of its attractions and cementing its position as a distinctive community that benefits all of Macau.

Numerous initiatives are planned to preserve, enrich and cement the village as a tourist and cultural destination, including a diverse range of artistic and cultural attractions that will allow visitors and future generations to enjoy a unique experience of the authentic Macau.

## **About Taipa Village**

Located in an historic enclave on Taipa Island, Taipa Village was originally inhabited by fishermen – a heritage that lives on today in its quaint village street layout and evocative, pastel-hued shop houses, nestled alongside colonial churches and Chinese temples. The village, with its rich history, offers an inspiring, East-meets-West alternative to Macau's casinos, and is a must-go destination for visitors and locals alike.
